

Born to Love You

Jackson 5

Girl, as you walk by
I see the sign so deep inside,
I knew it had to be
When you smiled for a little while,
I heard the same rhapsody
So lovely and so fair.
I knew right then and there
That you were made for me,
And it wasn't hard to see
Guess I was born to love you.
Guess I was born to love you. Darling I, I was born to love you
Give my love to no one but you.
This is a man with the future in his hands
Don't let go, don't let go,
Baby, don't let go. You better come on
And take my hand
'Cause I can't understand
This feeling in my soul
But I know that I would rather die
Than to let this feeling go
Oh, now, girl, can you see
That this was meant to be? It's funny but it's true
Guess I was born to love you.
Guess I was born to love you.
Guess I was born to love you. [Repeat]
