

# Brush Away

## Alice In Chains

I could use some time to curl away  
My aggression is where you stake your claim  
Why I question this curve on which you grade  
My conception, a joke or latest craze? I try to get away and yet I stick around  
So fall and crawl away and brush away loose ground My intention, and I arrive at eight?  
Lie and dream some surprise you guys I'm late  
All right, correction, forgetting something, wait I try to get away, and yet I stick around  
So fall and crawl away, and brush away loose ground I try to get away, and yet I stick around  
So fall and crawl away, and brush away loose ground Yeah brush away loose ground  
Yeah brush away
