

# Something Happened On the Way To Heaven

Phil Collins

We had a life, we had a love  
But you don't know what you've got 'til you lose it  
Well that was then and this is now  
And I want you back

How many times do I have to say I'm sorry, yes I'm sorry  
How can something so good go so bad  
How can something so right go so wrong  
I don't know, I don't have all the answers  
But I want you back

How many times can I say I'm sorry  
You know, you can run, and you can hide  
But I'm now leaving 'less you come with me  
We've had our problems but I'm on your side  
You're all I need, please believe in me, oh yeah  
I only wanted someone to love  
But something happened on the way to heaven  
It got a hold of me and wouldn't let go  
And I want you back

How many times do I have to say I'm sorry, yes, I'm sorry  
You know, you can run, and you can hide  
But I'm not leaving less you come with me  
We've had our problems but I'm on your side  
You're all I need, please believe me  
You know, you can run, and you can hide  
But I'm not leaving till it's all over  
We've had our problems but I'm on your side  
You're all I need, let me show you  
They say you can't take it with you when you go  
And I believe it  
But taking what I've got or being here with you  
You know I, I'd rather leave it  
We had a life, we had a love  
But you don't know what you've got 'til you lose it  
Well that was then and this is now  
And I want you back

How many times do I have to say I'm sorry, yes I'm sorry  
You know you can run, and you can hide  
But I'm not leaving less you come with me  
We've had our problems but I'm on your side  
You're all I need, please believe in me  
You can run, and you can hide  
But I'm not leaving until it's all over  
We've had our problems but I'm on your side  
You're all I need, please believe in me
