Close Your Eyes

Meghan Trainor

Everybody is on the same page
No new chapters
Will never changeEverybody wants to be cool
Yes they do
I'm just like them
But I won't be no foolI guess I could waste all my time and my money
Just trying to look right
But it doesn't change who I am in my heart if I look like a dime[Chorus]
So I want you to close your eyes
Sing to the world tonight
And show them what's beautiful
I don't care what they think
No I'm not listening
Cause I know I'm beautiful
So close your eyesShow them what's beautiful
Gonna' show them...
Show them what's beautiful
Show them what's beautifulEverybody is born to be different
That's the one thing that makes us the same
So don't you let them hurt try to change you
Don't let them make you into something you ain't[Chorus]
So I want you to close your eyes
Sing to the world tonight
And show them what's beautiful
I don't care what they think
No I'm not listening
Cause I know I'm beautiful
So close your eyesShow them what's beautiful
Gonna' show them...
Show them what's beautiful
Show them what's beautiful
So close your eyes
Show them what's beautifulShow the world the you inside
Raise your voice and close your eyes
Cause you are beautiful[Chorus]
So I want you to close your eyes
Sing to the world tonight
And show them what's beautiful
I don't care what they think

No I'm not listening
Cause I know I'm beautiful
So close your eyes
