Neon Rocks

Calvin Harris

Sparking at my neon rocks
Pulling out inside pink socks
Sorry 'cause I'm already home
I'll get rid of this on my ownDropping stuff, I'm in my car
You won't tell me who you are
Stop me if I've said it before
I keep my secret stash in the drawerSparking at my neon rocks
Pulling out inside pink socks
Sorry 'cause I'm already home
I'll get rid of this on my ownDropping stuff, I'm in my car
You won't tell me who you are
Stop me if I've said it before
I keep my secret stash in the drawer
