

Neon Rocks

[Calvin Harris](#)

Sparkling at my neon rocks
Pulling out inside pink socks
Sorry 'cause I'm already home
I'll get rid of this on my ownDropping stuff, I'm in my car
You won't tell me who you are
Stop me if I've said it before
I keep my secret stash in the drawerSparkling at my neon rocks
Pulling out inside pink socks
Sorry 'cause I'm already home
I'll get rid of this on my ownDropping stuff, I'm in my car
You won't tell me who you are
Stop me if I've said it before
I keep my secret stash in the drawer
