Born In a Prison

Trouble

Born in a prison
Where no one ever survives
A place with no visions of truth
What a waste of human livesWe got to come together
We got to come together
We lost our wisdom
So we live in despairWake up it's never too late
To show me that you care
We got to come together
We got to come togetherFirst you must learn how to love
Violence will only get you violence
There is no reason to kill
Only a reason to fightWe live in a prison
But they say we are free
I wonder who makes the rules
Are they so different from me?We lost our freedom so what are we waiting for
Stand up for what you know is right
Let's not give up no more
We got to come together
We got to come together
