Better keep in mind,  
Deny apprehension,  
Before the passing calm,  
Is made to turnCaught under a canvas,  
Protected from the haze,  
Coloured like a worn landscape  
An endless barricadeHolding common vowels,  
Converse without question  
And still imitate  
Familiar gamesCaught under a canvas,  
Protected from the haze,  
Coloured like a worn landscape  
An endless barricadeBetter keep in mind,  
Deny apprehension,  
Before the passing calm,  
Is made to turn  
Caught under a canvas,  
Protected from the haze,  
Coloured like a worn landscape  
An endless barricade
