Had Me @ Hello

Olivia Holt

I can feel you coming from a mile away
My pulse starts racing from the words that you say
And you say so many of them like you don't have a clue
That I'm signed, sealed delivered with a stamp on
You don't have to try too hard
You already have my heart
You don't got a thing to prove
I'm already into you
So
Hold, Hold, Hold, hold me tight now
Cause I'm so, so good to go
Don't say; don't say good night you know
You had me @ hello
You had me @ hello
Don't say; don't say good night you know
You had me @ hello
Close your mouth now baby don't say a word
Cause you ain't saying nothing
I ain't already heard
Plus all them words get buried when the beats so loud
And the speakers blowing up to this dance song
You don't have to try too hard
You already have my heart
You don't got a thing to prove
I'm already into you
So
Hold, hold, hold, hold me tight now
Cause I'm so, so good to go
Don't say; don't say good night you know
You had me @ hello
You had me @ hello
You had me @ hello
Don't say; don't say good night you know
You had me @ hello
Oooooh Ooooh ooh ooh
Oooh Oooh aaahha aaaha
You don't have to try too hard
You already have my heart
You don't got a thing to prove

I'm already into you
Aaha
You don't have to try too hard
You already have my heart
You don't got a thing to prove
I'm already into you
So
Hold, hold, hold, hold me tight now
I'm so, so good to go
Don't say; don't say good night you know
You had me @ hello
You had me @ hello
Don't say; don't say good night you know
You had me @ hello Oh
