(I Hate) Everything About You

Three Days Grace

Every time we lie awake
After every hit we take
Every feeling that I get
But I haven't missed you yetEvery roommate kept awake
By every sigh and scream we make
All the feelings that I get
But I still don't miss you yetOnly when I stop to think about itI hate everything about you
Why do I love you
I hate everything about you
Why do I love youEvery time we lie awake
After every hit we take
Every feeling that I get
But I haven't missed you yetOnly when I stop to think about itI hate everything about you
Why do I love you
I hate everything about you
Why do I love youOnly when I stop to think
About you, I know
Only when you stop to think
About me, do you knowI hate everything about you
Why do I love you
You hate everything about me
Why do you love meI hate
You hate
I hate
You love meI hate everything about you
Why do I love you
