

My Girl

Bobby Valentino

Yeah, if you don't wanna love me
You don't wanna love me
If you don't wanna love me
You don't wanna love me I've been around the world and back again
And I've been lookin' for someone [Incomprehensible]
I've been hurt once, I've been hurt twice
Tossin' and turnin' in the middle of the night
No matter if it's wrong, no matter if it's right
I hope you are the one 'cause I can't hurt no more If you don't wanna love me and she don't really love me
Tell me if I'm ever gonna find my girl
Do you really love me, the way you say you love me?
I wonder if I'm ever gonna find my girl My girl, my girl, my girl, my girl
I wonder if I'm ever gonna find my girl If you don't wanna love me
You don't wanna love me
Come on, let's go Girl you know I'm feeling you, I can't deny
But I gotta keep my guards up, holdin' high
Hope you really love me 'cause baby, I've been searchin'
Tryin' to find a girl like you, I hope that I don't play the fool
'Cause all my love is just for you If you don't wanna love me and she don't really love me
Tell me if I'm ever gonna find my girl
Do you really love me, the way you say you love me?
I wonder if I'm ever gonna find my girl My girl, my girl, my girl, my girl
I wonder if I'm ever gonna find my girl
My girl, my girl, my girl, my girl
I wonder if I'm ever Now baby you and me, we just so fly
So fly, so fly, so fly, so fly
And I'm givin' you my all for the very first time
First time, first time, first time Put my heart in your hands, let me lead the way
I'm a be the bigger man so baby, don't you play
Put my heart in your hands, let me lead the way
I'm a be the bigger man so baby, don't you play If you don't wanna love me and she don't really love me
Tell me if I'm ever gonna find my girl
Do you really love me, the way you say you love me?
I wonder if I'm ever gonna find my girl My girl, my girl, my girl, my girl
I wonder if I'm ever gonna find my girl
My girl, my girl, my girl I wonder if I'm ever gonna find my girl
My girl, my girl, my girl, my girl
I wonder if I'm ever gonna find my girl
My girl, my girl, my girl, my girl

I wonder if I'm ever gonna find my girl Do you really love me?
I wonder if I'm ever gonna find my girl
Do you really love me? I wonder if I'm ever gonna
I wonder if I'm ever gonna find my girl
My girl
