

Try It

Ohio Express

By the way you look I can tell that you want some action

Action is my middle name

Come over here, pretty girl, I'll give you satisfaction

But two are needed for this game

I'll give you sweet love you never had before, yeah

You think you've seen it all but you don't know

What's in store[Chorus]

C'mon, try it (mmm-mmm)

Try it (mmm-mmm)

Try it (mmm-mmm)

Try it (mmm-mmm) You look excited and you figure that it's just a bluff - huh

A-don't you dare walk away

I'll get you, tough little chick, before you fall in love

Come here, girl, what do you say

A-just give the word and my good lovin' will start

I'll serve a feverish pitch that's headed straight for your heart[Chorus] Girl, once you've made up your mind

You're gonna see that I'm not lyin' Come on, try it (mmm-mmm)

Try it (mmm-mmm)

Try it

Try it, baby

Try it

Aww, come on, try it

Oh, try it

Oh, try it

Come on, come on, come on
