[Mandy Santos](#)

Na na ie oh (All right girl) oh oh na na ie
(Yeah) Na na ie oh oh oh na na ie I can see the way you look at me
I can feel it underneath my skin
I could be the prey you wanna have
Should I be the one you get this time I can feel you
I can feel you
Don't know what to do
Don't know what to do
Oh oh I can feel you
I can feel you
Don't know what to do
Do-don't know what to do
You raise me up
You break me down
You're getting wild like an animal You raise me up
You break me down
Oh oh uh oh
Like an animal Na na ie oh oh oh na na ie
I can see you with no lights
Like an animal Na na ie oh oh oh na na ie
We could try to surrender
But is dangerous Chase me
Catch me
Get me
Bite me
I would really like to have your heart
I should try to wait and understand
You will never ever be the one
Runaway! I'm tryna find my love I can feel you
I can feel you
Don't know what to do
Don't know what to do
Oh oh I can feel you
I can feel you
Don't know what to do
Do-don't know what to do You raise me up
You break me down
You're getting wild like an animal You raise me up
You break me down
