

# Pieces of Man

## Drown

I was awake, alone, afraid, confused  
The only love I knew, the only love I knew  
You were the only love I knew and I was afraid  
Scars don't heal  
When they grow on the inside  
The mind can't kill  
What it sees on the outside  
Too young to know  
Too young to understand  
Force fed the real thing  
I didn't know what it meant back then  
And now you wonder what went wrong  
How can you wonder what went wrong?  
Love wasn't explained  
Try spending that much time alone  
I know this pain  
Over time it only grows  
Didn't wanna believe  
Tried not to let it show  
Everything inside me  
You took more than you'll ever know  
And now you wonder what went wrong?  
How can you wonder? You were wrong  
You were wrong  
Pieces of man  
I'm learning the hard way what I am  
Pieces of man  
Destroyed, destroyed  
Fistful of control  
You planted this seed inside  
Too many times, too many times  
This time you can't deny  
You were wrong, you were wrong  
You were wrong, you were wrong  
Pieces of man  
I'm learning the hard way what I am  
Pieces of man  
Destroy, destroy  
I was afraid, I was alone and confused  
I was afraid, I was afraid  
You were the only love I knew  
And I was afraid, afraid  
Pieces of man  
I'm learning the hard way what I am  
Pieces of man  
Destroy, destroy  
Pieces of man  
I'm learning the hard way what I am  
Pieces of man  
Destroy, destroy  
You were wrong, you were wrong  
You were wrong, you were wrong
