# Your Roots

## Mahkess

Mahkess-Your Roots

When I was a little boy.
One thing I do remembah.
Always love my family yes.
Family is forevah.

They taught me right from wrong
and what it takes to live.
No mattah what mistakes I made
they always did for-give.

Chorus
And for so long I've been hea,
tryna find the ansah.
for the truth is ya worst off
wea is ah cansah?

Taking away yah cultcha.
Taking away yah roots.
The only thing they give to us is,
soljah boots.

You can't forget cha past,
cuz yah fewcha starts with, your roots,
your roots...

Yes you can't forget cha past,
cuz yah fewcha starts with, your roots,
your roots...

Yes you can't forget cha past,
cuz yah fewcha starts with, your roots,
your roots...

Yes you can't forget cha past,
cuz yah fewcha starts with, your roots,
your roots...

This Zion I know...

Why the chills(?) may bloom
This Zion I know...
It's da roots, hey

Cause it's ya roots, roots,
yah roots stand firm...whoa yea
It's ya roots, roots,
yah roots stand firm...

Chorus
But and for so long I've been hea,
tryna find the ansah.
For the truth is ya worst off
wea is ah cansah?

Taking away yah cultcha.
Taking away yah roots.
The only thing they give to us is,
soljah boots.

You can't forget your past,
cuz yah fewcha starts with, your roots,
your roots...

Yes you can't forget your past,
cuz yah fewcha starts with, your roots,
your roots...

Yes you can't forget your past,
cuz yah fewcha starts with, your roots,
your roots...

Yes yah can't forget your past,
cuz yah fewcha starts with, your roots,
your roots...

When I was a little boy.
