

Get You into My Life (feat. Glasses Malone)

[Brian McKnight](#)

Gotta get you into my life
Get-get-get you into my life
Get you into my life, baby
Gotta get you into my life
Get-get-get you into my life
Get you into my life, baby I'll open up doors for you
Buy up your favorite store for ya
Give up my floor seats at the Lakers
Give up the mule and them forty acres
Just to have you right next to me You ain't gotta have sex with me, at first
I wanna be with you, so tell me how it works Gotta get you into my life
Get-get-get you into my life
Get you into my life, baby
Gotta get you into my life
Get-get-get you into my life
Get you into my life, baby Gotta get you into my life
Get-get-get you into my life
Get you into my life, baby
Gotta get you into my life
Get-get-get you into my life
Get you into my life, baby I'll pull out your chair for you
Satisfy your every care for you
I'll fill up your 'frigerator
Go toe to toe with the terminator
Just to have you right next to me You ain't gotta have sex with me, at first
I wanna be with you, so tell me how it works Gotta get you into my life
Get-get-get you into my life
Get you into my life, baby
Gotta get you into my life
Get-get-get you into my life
Get you into my life, baby Gotta get you into my life
Get-get-get you into my life
Get you into my life, baby
Gotta get you into my life
Get-get-get you into my life
Get you into my life, baby Give you everything you want
Give you everything you need
Give you all I got
Baby, you can count on me

To fulfill your every desire, all your fantasies
I need to have you here with meGotta get you into my life
Get-get-get you into my life
Get you into my life, baby
Gotta get you into my life
Get-get-get you into my life
Get you into my life, babyGotta get you into my life
Get-get-get you into my life
Get you into my life, baby
Gotta get you into my life
Get-get-get you into my life
Get you into my life, babyGotta get you into my life
Get-get-get you into my life
Get you into my life, baby
Gotta get you into my life
Get-get-get you into my life
Get you into my life, babyGotta get you into my life
Get-get-get you into my life
Get you into my life, baby
Gotta get you into my life
Get-get-get you into my life
Get you into my life, baby
