

# Willie The Pimp

Frank Zappa

Frank Zappa:Willie the pimp  
I'm a little pimp with my hair gassed back  
Pair a khacki pants with my shoes shined black  
Got a little lady...walk the street  
Tellin' all the boys that she can't be beat  
Twenny dollah bill (I can set you straight)  
Meet me onna corner boy'n don't be late  
Man in a suite with bow-tie neck  
Wanna buy a grunt with a third party check  
Standin' onna porch of the Lido Hotel  
Floozies in the lobby love the way I sell:HOT MEAT  
HOT RATS HOT ZITS HOT CHEST  
HOT RITZ HOT ROOTS HOT SOOTS
