# Squad Goals

## Yaboy P.A

No fakes around me x4

hook: (squad goals) real niggas around me
(squad goals) no fakes run on my team
(squad goals) I don't fuck with the fuckery
(I got I got) real niggas around me x2

Verse 1
squad goals same team we aint never ever switched up
been down since them young days hard work broke days
hustle hard just to make a way superman save ya brody day
fall out we aint never did
it aint to much real friends
never dip when shit hit the fan
stories told that will never send
circle small that's the way it is and i can count that on one hand
and you aint part of my click dog no drama i don't fuck with that
fake niggas yawl can fall back we aint even got to chit-chat (heyyy)
you can miss me with that bull shit
fake shit talk behind ya back my squad we don't do that
N.G.P since way back four front got my brother back once you out aint no coming in
i don't fuck with fake friends

hook: (squad goals) real niggas around me
(squad goals) no fakes run on my team
(squad goals) I don't fuck with the fuckery
(I got I got) real niggas around me x2

nothing new its been the same way
circle still smaller than a cheerio
still cool kids from years ago
still pop of no matter what
when one up we all up if it goes down it goes down
but we like to kick it home.girls roll to
we don't do the funny acting fuck boy
fuck around me with all that bull shit
we just like to chill smoke a little bit
ribs on the grill out in Arizona
beers ice chest looking like coronas
all my fam here no fakes invited

shit get real we will be about
mamon kinfolk nigga know about it same young boys transfer into man (amen)
you can miss me with that bull shit
fake shit talk behind ya back my squad we don't do that
N.G.P since way back four front got my brother back once you out aint no coming in
i don't fuck with fake friends (huhjeah)

hook: (squad goals) real niggas around me
(squad goals) no fakes run on my team
(squad goals) I don't fuck with the fuckery
(I got I got) real niggas around me x2
