

# My Heart Is Calling

## Whitney Houston

Who would've thought of it  
That I might feel like this  
Some kind of wonderful  
There's nothing quite comparable  
The thing about it is  
    It's oh so innocent  
    I wasn't looking for  
It came knockin' at my door  
I'm trying to do things right  
    But I'm about to lose this fight  
    'Cause spending time with you  
Well, it feels so good and that's the truth  
And every day with you  
    I swear it brings me closer  
    To my only reservation is you  
My sweet temptation, baby  
Oh, my heart is calling  
    I'm falling for you  
    Oh, my heart is calling  
I'm falling for you  
Who could imagine it  
    I found my happiness  
    In someone I barely know  
And I like to take it slow  
But you're so different, boy  
You're breaking all my rules  
    What is it in your smile  
That makes me feel the way I do  
I'm trying to live my life  
    And I'm trying to live it right  
    If I desire you  
It ain't because I'm trying to  
Boy, everyday with you  
    I swear it brings me closer to  
    My only reservation is you  
My sweet temptation, baby  
I've given it consideration uh huh  
    And it all adds up to you  
I won't deny this heart is calling for you, baby  
I've given it a lot of thought uh huh  
    And it all ends up on you  
    My sweet temptation  
God knows I'm falling for you  
Is it in your smile, boy  
    Is it touch, baby  
    I don't know why
