## Janet Jackson

I've been down this road before  
I know it very well  
And I just can't believe  
I've been struck I didn't see it  
(Comin')  
I was  
(Blindfolded)  
I'm caught up in  
(Collision)  
And now I'm so done You crept up like a spider  
I got caught in your web  
There was no way to escape  
I tried to switch  
(My lanes) But then I hit  
(My brakes)  
Sparks turned into  
(Flames)  
I shoulda stopped  
At the red light 'cause Now I'm like a deer  
Caught in headlights  
Ugh, he hit me with his luv  
Luv, luv, luv, luv He hit me with his  
(Luv)  
And now I'm in luv  
Luv, luv, luv Got me caught in a wreck  
I'm a mess  
Got me caught in a wreck  
I'm a mess Got me caught in a wreck  
Somebody call the paramedics  
(Luv)  
He hit me with his luv  
Luv, luv, luv I was creepin' up the road  
Just knew I had control  
So how did I end up gettin' hit?  
I had on my  
(Belt) I checked it  
(Myself)  
So how in the  
(World)

Did I get caught? I had the right of way  
I saw the sign you disobeyed  
(It was your fault)  
I can't believe the way you wrecked into my heart  
I think I should sue ya  
I shoulda stopped  
At the red light 'cause now I'm like a deer  
Caught in headlights  
Ugh, he hit me with his luv  
Luv, luv, luv, luv He hit me with his  
(Luv)  
And now I'm in luv  
Luv, luv, luv Got me caught in a wreck  
I'm a mess  
Got me caught in a wreck  
I'm a mess Got me caught in a wreck  
Somebody call the paramedics  
(Luv)  
He hit me with his luv  
Luv, luv, luv You caught me by surprise  
I can't believe  
That I'm falling for this guy Somebody call the cops  
'Cause I'm falling for that guy You caught me by surprise  
I can't believe  
That I'm falling for this guy Somebody call the cops  
'Cause I'm falling for that guy  
I shoulda stopped  
At the red light 'cause now I'm like a deer  
Caught in headlights  
Ugh, he hit me with his luv  
Luv, luv, luv, luv He hit me with his  
(Luv)  
And now I'm in luv  
Luv, luv, luv Got me caught in a wreck  
I'm a mess  
Got me caught in a wreck  
I'm a mess Got me caught in a wreck  
Somebody call the paramedics  
(Luv)  
He hit me with his luv He crashed into my heart  
He crashed into my heart  
Somebody call the paramedics  
(Luv)  
He hit me with his luv He crashed into my heart  
He crashed into my heart

Somebody call the paramedics

(Luv)

He hit me with his luv

Luv, luv, luv, luv
