

# Through Struggle

## As I Lay Dying

only through struggle have i found rest  
with a piece of me taken away  
i begin to understand  
hollow out this machine like chest  
with its gears that turn to make me feel  
and assembled thoughts that fade awayonly through struggle have i found rest  
only through struggle have i found restremove from me  
this deception that i called lovewith its gears that turn to make me feel  
and assembled thoughts that fade awayremove from me  
this deception that i called loveonly through struggle have i found rest  
with a piece of me taken away  
i begin to understand  
i begin to understand  
i begin to understand
