Just About Living**

Yeah, what's taboo to you is just not taboo to me
Do you wanna make a deal, there's nothing I can't steal
Yeah, yeah, yeah, yeah, yeah, it's just about living
So make it strong but make it quiet
About living, it's just about livingLife on an I O U but I see hope between us too
Yeah, yeah, yeah, I borrowed it from someone new
Something old for something blue
It's just about livingWhat means lots and lots to you may mean nothing much to me
But ask me while I'm here or forget it for a year
Yeah, yeah, yeah, yeah, yeah, it's just about living
So make it strong but make it quiet
About living, it's just about livingLife on an I O U but I see hope between us too
Yeah, yeah, yeah, I borrowed it from someone new
Something old for something blue
It's just about livingTaboo to you, taboo to me
To you and me, to me and you
[Incomprehensible]
Just about now how to liveWhat's taboo to you is just not taboo to me
Do you wanna make a deal, there's nothing I can't steal
Yeah, yeah, yeah, yeah, yeah, it's just about living
So make it strong but make it quiet about living
It's just about livingLife on an I O U but I see hope between us too
Yeah, yeah, yeah, I borrowed it from someone new
Something old, yeah, something old for something blue
Yeah, yeah, yeah
