

# 'Til the Storm Passes By

**Bill & Gloria Gaither**

In the dark of the midnight  
I alt hid my face  
While the storms howled above me  
Seemed there was no hiding place  
But mid the crash of the thunder  
Precious Lord hear my cry  
Keep me safe til the storm passes by.

Now when the long night has ended  
And the storms come no more  
Let me dwell in the presence on that bright and peaceful shore  
There in the land where the tempest never comes  
Lord may I dwell with thee til the storm passes by.

Oh...til the storm passes over  
Til the thunder sounds no more  
Til the clouds just roll forever from the sky  
Hold me fast, let me stand, in the hall of thy hand  
Keep me safe til the storm passes by

Oh...til the storm passes over  
Til the thunder sounds no more  
Til the clouds just roll forever from the sky  
Hold me fast, let me stand, in the hall of thy hand  
Keep me safe til the storm passes by

Lord...Keep us safe til the storm passes by.
