Ocean

Lush

Come with me
Into a cool blue stream
Bleed into oceans green
Lips open wide, drinking the tideReach for me
Here where the ocean sea melts
And you sink with me deeper inside
I'll make you mineTake me down
Down where their voices drown
Down where the only sound
Echoes for meTake me down
Down where their voices drown
Down where the only sound
Echoes for meFloating away under the waves
Kiss me again, you'll tell me when salt on my lips
Cool fingertips under the sea
Stay here with me
