# Love Again

## Chandra Currelley

I Want To Love Again

How do I start?
Where do I begin?
Iâ€™ve been hurt so much.
I just need a friend.
Could it be you? Will you break through these walls?
Iâ€™m willing to help them fall.

I want to love again. But Iâ€™m afraid to.
I want to trust again. But my heart says not to.
Youâ€™re every smile, youâ€™re gentle touch, it makes me weak I want you so much.
I want to love again and this time with you.

You donâ€™t know that this is so hard for me.
Being close to you itâ€™s driving me crazy.
Oh my mind my mind says no, but my body says yes.
You make one move, Iâ€™ll do the rest.

I want to love again. But Iâ€™m afraid to.
I want to trust again. But my heart says not to.
Youâ€™re every smile, youâ€™re gentle touch, it makes me weak I want you so much.
I want to love again and this time with you.

My mind says no, but my body says yes.
You make your move and Iâ€™ll Iâ€™ll do the rest.
Youâ€™re every smile, youâ€™re gentle touch, it makes me weak I want you so much.
I want to love again and this time with you.

I want to love again. But Iâ€™m afraid to.
I want to trust again. But my heart says not to.
Youâ€™re every smile, youâ€™re gentle touch, it makes me weak I want you so much.
I want to love again and this time,
I want to do it again but this time I want to love again and this time with you.
