## The Halibuts

Come on in (on in, whoa, whoa)  
Come on in (on in, whoa, whoa)

Is it in the east  
You've gone to far  
Boys it's over there  
Not that far  
It's here  
It's where you are

Where you going  
To the city  
Where you going  
To the city  
Istanbul

Is it in the east  
You've gone to far  
Boys it's over there  
Not that far  
It's here  
It's where you are

Come on in (on in, whoa, whoa)  
Come on in (on in, whoa, whoa)

Istanbul

Istanbul

Come on in (on in)  
Come on in (on in)

Where you going  
To the city  
Where you going  
To the city  
Where you going  
Istanbul  
(whoa, whoa, whoa)
