

# Answer The Phone

Sugar Ray

We're on this roller coaster ride, hold on, I'll stay here by your side  
We head up to the sky then we slide back down  
Upside down, try to figure out, not sure if we could work it out  
I wanna be alone but you feel like home Answer the phone, I know that you're home  
I wanna get you alone and do it again, do it again  
Answer the phone, I know that you're home  
I wanna get you alone and do it again, do it again The signals all are flashing red, it doesn't matter what was said  
This bed is much too big without me and you  
This all seems so ridiculous, why can't we just get over this?  
Don't make me say the obvious without you Answer the phone, I know that you're home  
I wanna get you alone and do it again, do it again  
Answer the phone, I know that you're home  
I wanna get you alone and do it again, do it again I practice all my lines to a telephone while you were sleeping  
I practice all my lines to a telephone while you were sleeping  
I practice all my lines to a telephone while you were sleeping I remember the way you curled your toes  
On the side of the stage at all our shows  
And the glow on your face just because of one rose  
When I wake up in the morning and you're wearing my clothes Answer the phone, I know that you're home  
I wanna get you alone and do it again, do it again  
Answer the phone, I know that you're home  
I wanna get you alone and do it again, do it again Do it again, do it again  
And do it again, do it again  
I wanna do it again, do it again  
And do it again, do it again
