

Riot Girl

Good Charlotte

She's got tattoos and piercings
She likes minor threat, she likes social distortion
My girl's, a hot girl
A hoodrat who needs an attitude adjustment
Christina, wouldn't wanna meet her
She hates you Britney, so you better run for cover
My girl's, a hot girl
A riot girl and she's angry at the world
Emergency, call 911
She's pissed off at everyone
Police, Rescue, FBI
She wants a riot, she wants a riot
And everywhere we go she gets us thrown out constantly
But that's okay
'Cause I know, I know, I know
My baby would do anything for me yea
Christina, wouldn't wanna meet her
She hates you Britney, so you better run for cover
My girl's, a hot girl

A riot girl and she's takin' on the world, I said
Emergency, call 911
She's pissed off at everyone
Police, Rescue, FBI
She wants a riot, she wants a riot
She wants a riot, she wants a riot
Aah aah aah
Don't you know that all I really want is you?
(Aah aah)
Gotta know that all I really want is you
Emergency, call 911
She's pissed off at everyone
Police, Rescue, FBI
She wants a riot, she wants a riot
Emergency, call 911
She wants a riot, she wants a riot
Police, Rescue, FBI
She wants a riot, she wants a riot
