Nobody Compares

One-Direction

You're so pretty when you cry, when you cry
Wasn't ready to hear you say goodbye
Now you're tearing me apart, tearing me apart
You're tearing me apart

You're so London, your own style, your own style
And together we're so good, so girl
Why are you tearing me apart, tearing me apart?
You're tearing me apart

Did I do something stupid?
Yeah girl, if I blew it
Just tell me what I did,
Let's work through it
There's got to be some way to get you to want me like before

'Cause no one ever looked so good
In a dress and it hurts, 'cause I know you won't be mine tonight
No one ever makes me feel like you do when you smile
Baby, tell me how to make it right

Now all of my friends say it's not really worth it
But even if that's true
No one in the world could stop me from not moving on, baby, even if I wanted to,
Nobody compares to you

We're so Paris when we kissed, when we kissed
I remember the taste of your lipstick
Now you're tearing up my heart, tearing up my heart
You're tearing up my heart

Did I do something stupid?
Yeah girl, if I blew it
Just tell me what I did,
Let's work through it
There's got to be some way to get you to want me like before

'Cause no one ever looked so good
In a dress and it hurts, 'cause I know you won't be mine tonight
No one ever makes me feel like you do when you smile

Baby, tell me how to make it right

Now all of my friends say it's not really worth it
But even if that's true
No one in the world could stop me from not moving on, baby, even if I wanted to
Nobody compares to you

Oh
Nobody compares to you
There's got to be some way to get you to want me like before

'Cause no one ever looked so good
In a dress and it hurts 'cause I know you won't be mine tonight
No one ever makes me feel like you do when you smile
Baby, tell me how to make it right

Now all of my friends say it's not really worth it
But even if that's true
No one in the world could stop me from not moving on, baby, even if I wanted to
Nobody compares to you
