

# Nobody Compares

## One-Direction

You're so pretty when you cry, when you cry  
Wasn't ready to hear you say goodbye  
Now you're tearing me apart, tearing me apart  
You're tearing me apart

You're so London, your own style, your own style  
And together we're so good, so girl  
Why are you tearing me apart, tearing me apart?  
You're tearing me apart

Did I do something stupid?  
Yeah girl, if I blew it  
Just tell me what I did,  
Let's work through it  
There's got to be some way to get you to want me like before

'Cause no one ever looked so good  
In a dress and it hurts, 'cause I know you won't be mine tonight  
No one ever makes me feel like you do when you smile  
Baby, tell me how to make it right

Now all of my friends say it's not really worth it  
But even if that's true  
No one in the world could stop me from not moving on, baby, even if I wanted to,  
Nobody compares to you

We're so Paris when we kissed, when we kissed  
I remember the taste of your lipstick  
Now you're tearing up my heart, tearing up my heart  
You're tearing up my heart

Did I do something stupid?  
Yeah girl, if I blew it  
Just tell me what I did,  
Let's work through it  
There's got to be some way to get you to want me like before

'Cause no one ever looked so good  
In a dress and it hurts, 'cause I know you won't be mine tonight  
No one ever makes me feel like you do when you smile

Baby, tell me how to make it right

Now all of my friends say it's not really worth it

But even if that's true

No one in the world could stop me from not moving on, baby, even if I wanted to

Nobody compares to you

Oh

Nobody compares to you

There's got to be some way to get you to want me like before

'Cause no one ever looked so good

In a dress and it hurts 'cause I know you won't be mine tonight

No one ever makes me feel like you do when you smile

Baby, tell me how to make it right

Now all of my friends say it's not really worth it

But even if that's true

No one in the world could stop me from not moving on, baby, even if I wanted to

Nobody compares to you
