

Falling (Twin Peaks Theme)

[Julee Cruise](#)

Don't let yourself be hurt this time.
Don't let yourself be hurt this time. Then I saw your face
Then I saw your smile The sky is still blue
The clouds come and go
Yet something is different
Are we falling in love? Don't let yourself be hurt this time.
Don't let yourself be hurt this time. Then your kiss so soft
Then your touch so warm The stars still shine bright
The mountains still high
Yet something is different
Are we falling in love? Falling
Falling
Are we falling in love?
