

Politik

Pilsner Oiquell

Look at earth from outer space
Everyone must find a place
Give me time and give me space
Give me real, don't give me fake Give me strength, reserve, control
Give me heart and give me soul
Give me time, give us a kiss
And tell me your own politik Open up your eyes
Open up your eyes
Open up your eyes
Open up your eyes Give me one, cause one is best
In confusion, confidence
I give me piece of mind and trust
But don't forget the rest of us Give me strength, reserve, control
Give me heart and give me soul
Wounds that heal and cracks that fix
My love tell me your own politik Open up your eyes
Open up your eyes
Open up your eyes
Open up your eyes
Just open up your eyes And give me love over
Love over, love over this, ahh
Give me love over
Love over, love over this, ahh
