

# What The World Needs Now Is Love

**Burt Bacharach**

What the world needs now is love, sweet love  
It's the only thing that there's just too little of  
What the world needs now is love, sweet love  
No, not just for some but for everyone Lord, we don't need another mountain  
There are mountains and hillsides enough to climb  
There are oceans and rivers enough to cross  
Enough to last 'till the end of time What the world needs now is love, sweet love  
It's the only thing that there's just too little of  
What the world needs now is love, sweet love  
No, not just for some but for everyone Lord, we don't need another meadow  
There are cornfields and wheat fields enough to grow  
There are sunbeams and moonbeams enough to shine  
Oh, listen, lord, if you want to know What the world needs now is love, sweet love  
It's the only thing that there's just too little of  
What the world needs now is love, sweet love  
No, not just for some, oh, but just for ever, every, everyone What the world needs now is love, sweet love (oh, is love)  
What the world needs now is love, sweet love (oh, is love)  
What the world needs now is love, sweet love (oh, is love)
