

My Love

New Politics

My love My love My love My love My love, it ain't you, it ain't you
It's just a phase I'm going through
It ain't you, it ain't you
Don't tell me you don't feel it You, me, them were not at all the same
We see things different
Chain me down feed me your medicine
I'm losing control I feel tired the walls are closin' in
I give in My love, it ain't you, it ain't you
It's just a phase I'm going through
It ain't you, it ain't you,
Don't tell me you don't feel it You me them we're all a bit insane
Lost and deceived, hold my breath
Promise you won't forget me if I secede I feel tired the walls are closin' in
I give in My love, it ain't you, it ain't you,
It's just a phase I'm going through
It ain't you, it ain't you I can break through this mess
I can see through this mess
I can go through this mess
I can live in this mess
I am feeling so numb I could die My love, it ain't you, it ain't you,
It's just a phase I'm going through And now I see the things I did
It broke me down ripped my heart
I patch it back and watch it die
Watch it die inside My love it ain't you, it ain't you,
It's just a phase I'm going through
It ain't you, it ain't you
Don't tell me you don't feel it too My love My love My love My love
