Cold Cold Heart

Ray Price

I tried so hard my dear, to show that you're my every dream
Yet you're afraid each thing I do is just some evil scheme
A memory from your lonesome past keeps us so far apart
Why can't I free your doubtful mind and melt your cold cold heart?There was a time when I believed that you belonged to me
But now I know your heart is shackled to a memory
The more I learn to care for you the more we drift apart
Why can't I free your doubtful mind and melt your cold cold heart?You'll never know how much it hurts to sit and watch you cry
You know you need and want my love yet you're afraid to try
Why do you run and hide from life, to try it just ain't smart?
Why can't I free your doubtful mind and melt your cold cold heart?
