

# Another Girl Another Planet

## Babyshambles

I always flirt with death  
I could kill, but I don't care about it  
I can face your threats  
Stand up tall and scream and shout about it  
I think I'm on another world with you  
I'm on another planet with you You always get under my skin  
I don't find it irritating  
You always play to win  
I don't need rehabilitating Another girl, another planet  
Another girl, another planet Space travels in my blood  
And there ain't nothing I can do about it  
Long journeys wear me out  
Oh God we won't live without it
