

# Yesterday (Live At New York City)

## Paul McCartney

Yesterday,  
All my troubles seemed so far away  
Now it looks as though they're here to stay  
    Oh, I believe in yesterday  
        Suddenly,  
    I'm not half the man I used to be  
    There's a shadow hanging over me  
    Oh, yesterday, came suddenly  
        Why she had to go  
        I don't know  
        She wouldn't say  
    I said something wrong  
    Now I long for yesterday  
        Yesterday  
    Love was such an easy game to play  
    Now I need a place to hide away  
    Oh, I believe in yesterday  
        Why she had to go  
        I don't know  
        She wouldn't say  
    I said something wrong  
    Now I long for yesterday...

Mmmm Mmmm Mmmmm Mmmm Mmm Mm Mm
