

Suicide Is Painless (from the ost-Blair Witch 2)

Marilyn Manson

Through early morning fog I see
The visions of the things to be
Their pains that are withheld from me
I realize and I can see That suicide is painless
It brings on many changes
And I can take or leave it
If I please The game of life is hard to play
I'm gonna lose it anyway
The losing card I'll some day lay
So this is all I have to say That suicide is painless
It brings on many changes
And I can take or leave it
If I please The sword of time will pierce our skin
It doesn't hurt when it begins
But as it works its way on in
The pain grows stronger, watch it grin Suicide is painless
It brings on many changes
And I can take or leave it
If I please A brave man once requested me
To answer questions that are key
Is it to be, or not to be?
And I replied, oh why ask me? Suicide is painless
It brings on many changes
And I can take or leave it
If I please And you can do the same thing
If you please
