

'S Wonderful

Dave Grusin

Don't mind telling you in my humble flash
That you thrill me through with a tender pash
When you said you care, 'magine my emoshe
I swore then and there, permanent devoshe
You made all other men seem, blah
Just you alone filled me with ah

'S wonderful, 's marvelous
You should care for me
'S awful nice, 's paradise
'S what I love to see

You've made my life so glamorous
You can't blame me for feeling amorous
Oh, 'S wonderful, 's marvelous
That you should care for me

'S magnificque, 's what I seek
You should care for me
'S elegant, 's what I want
'S what I love to see

My dear, it's four leaved clover time
From now on my heart's working overtime
'S exceptional, 's no bagatelle
That you should care for
That you should care for
That you should care for me
