

# I'm Gonna Tear Your Playhouse Down

Graham Parker & The Rumour

You think you've got it all set up,  
You think you've got a perfect plan  
But charm any man you see, And play with everything one that you can  
But I've got news for you baby,  
I hope it don't hit you too hard  
One of these days when you're at play,  
I'm gonna catch you off guard CHORUS I'm gonna tear your playhouse down, pretty soon  
I'm gonna tear your playhouse down, room by room You think love is just fun and games, trying to be a playgirl  
All you do is run around, run around, putting hearts all in a whirl  
You been playing my heart to every daddy around  
What you gonna say when you look up one day and see your playhouse tumblin down REPEAT CHORUS Then  
solo over second half of verse  
then REPEAT CHORUS with variations
