Answer The Call

No Warning

Speak upI'll never get what makes you so scared
And why we never talk like normal people
You get your point across safe and soundAnswer the call
If you don't like what you see
If you don't have what it takes
Don't fucking talk about meI'm talking to a wall
It's clear that there's no end in sight
A way to be heard for the silent typeI'm talking to a wall
It's clear that there's no end in sight
A way to be heardYou're proving, just how pathetic you can really be
You're losing, again and again, out on what could be
A boring life you must lead
