

Higher Love (Adrenaline Mix)

Depeche Mode

I can taste more than feel
This burning inside is so real
I can almost lay my hands upon
Warm glow that lingers on Moved, lifted higher
Moved, my soul's on fire
Moved, by a higher love
By a higher love
By a higher love
By a higher love I surrender all control
To the desire that consumes me whole
Leads me by the hand to infinity
Lies in wait at the heart of me Moved, lifted higher
Moved, my soul's on fire
Moved, by a higher love
By a higher love Heaven bound on the wings of love
There's so much that you can rise above Moved, lifted higher
Moved, moved, by a higher love
By a higher love By a higher love
By a higher love
