

Woman of Secret Gold

Flo Morrissey

Hm... Hm...
Look at my face,
Do you know it well?
I see a woman embrace
with not (?) so left to tell, hm...Open my eyes, I see tales
Miles taking me to paradise
No need to give this laugh, try, hm...So I'm singing through the sky
So very happy I could die
I am
Singing through the sky
So very happy I'm
Woman of secret gold
And for now that's all you need to be told
Uh...Look at this way,
At this jewels I'm now on,
Made of silver songs,
Say the thing what you mean (?)
I'm happy inside all day
Sitting on my throneUh...The sweetness I hold
Then see love again
For I've come in from the pound (?)
And I hold many more treasures than you know
Deep within
Deep within
So I'm singing through the sky
So very happy I could die
I am
Singing through the sky
So very happy I'm a
Woman of secret gold
And for now
That is all
You need to be told
Uh... Ah... Ah...
A woman of secret gold
And for now
That is all
You need
To be

Told
