

## Dean Blunt

Look at my shoulder,  
I'm bound to need you.  
Everybody says I'm wrong  
Said,, I'm bound to need you, girl.  
But everybody says I'm wrong  
Everybody says I'm wrong.  
Feelings coming on.  
But the bullshit got too long, yeah.  
Look at my shoulder,  
I'm bound to need you.  
Everybody says I'm wrong.
