Love's Riddle

Steve Miller Band

What can you do when your love is untrue
and you're feeling blue and left in sorrow
And your love is in vain, and it causes you pain,
there's no tomorrow
Ooo Ooo Ooo Ooo....
Do be ahWhat can you do when your love is untrue
and she's made you blue and left you in sorrow
And your love is in vain and it causes you pain,
you've no more sorrow
Ooo Ooo Ooo Ooo....
