

# My Flash On You

## Love

[Verse 1:]

I don't want to be in your company

I don't need you to take care of me

Let me alone, let me alone, let me alone, can't you let me be

All I want in this world is to say I'm a man that's free[Verse 2:]

People talk about the way I look

I say come on and say it, I got enough to write a book

But don't they know, don't they know, don't they know it's a waste of breath'

Cause I don't want to be like them, all I want is to be myself

(Lemme hear you play it one time now)[Verse 3:]

Don't try to force your smuggled drugs my way

'Cause baby, I cleansed my soul and I say that's the way it's gonna stay

But you can put me down, all around, on the ground, anyway you choose

Get your kicks with your fix, but this time I know it's you who lose
