Miles (www.primemusic.ru)

Christina Perri

I'm scared today
More than I told you I was yesterday
Give me a moment to catch my breath
And hold me every second leftProud of me
That's the only way I want you to be
Look at me and love
What you seeI won't make it alone
I need something to holdKiss me on my shoulder
Tell me it's not over
I promised to always come home to you
Remind me that I'm older
To be brave smart, sweet and bolder
And don't give up on what we're trying to doDon't count the miles,
Count the "I love you's"We made it out
And all the other people are asking how
This doesn't even sound like truth
To grow from a bruiseBut one day we will realize
How hard it was, how hard we tried
And how our hearts made it out aliveKiss me on my shoulder
Tell me it's not over
I promised to always come home to you
Remind me that I'm older
To be brave smart, sweet and bolder
And don't give up on what we're trying to doDon't count the miles,
Count the "I love you's"And these are words
I wish you said
But that's not how it went
'Cause you gave up on us in the endAnd I won't make it alone
I need something to holdKiss me on my shoulder
Tell me it's not over
I promised to always come home to you
Remind me that I'm older
To be brave smart, sweet and bolder
And don't give up on what we're trying to doKiss me on my shoulder
Tell me it's not over
I promised I'd come home to you
Remind me that I'm older
To be brave smart, sweet and bolder
And don't give up on what we're trying to doDon't count the miles,

Count the "I love you's"
