

# Run Run Run (Sigurt DNB Bootleg)

## Celeste Buckingham

All is fair in love and war  
But all I do is love you more  
Our love is crazy, unhealthy  
But I can't keep from you babySo you said "Why even bother?  
Set this love, set me on fire"  
How I wish you'd be the victim  
So you'd see just how I'm feelingYou better know, know, know  
That I have conditions  
I make the rules  
And make the decisions  
And I, I, I want nothing less than  
What I deserveSo you better run, run, run  
Before I decide that you are mine  
Two stars will collide  
You better run, run, run  
Nowhere to run but to meSomehow I don't get the picture  
Don't know why you are the winner  
Our love is not what we wanted  
But baby you finish just what you startedSo you said "Why even bother?  
Set this love, set me on fire"  
How I wish you'd know me better  
So you'd see that I'm the trendsetterYou better know, know, know  
That I have conditions  
I make the rules  
And make the decisions  
And I, I, I want nothing less than  
What I deserveSo you better run, run, run  
Before I decide that you are mine  
Two stars will collide  
You better run, run, run  
Nowhere to run but to meYou are the cause of all this pain  
And you are the reason I'm upset  
You are the cause of all this pain  
But you are the cause of all this love  
You are the thing I can't forgetYou better know, know, know  
That I have conditions  
I make the rules  
And make the decisions  
And I, I, I want nothing less than

What I deserveSo you better run, run, run  
Before I decide that you are mine  
Two stars will collide  
You better run, run, run  
Nowhere to run but to meYou better know, know, know  
That I have conditions  
I make the rules  
And make the decisions  
And I, I, I want nothing less than  
What I deserveSo you better run, run, run  
Before I decide that you are mine  
Two stars will collide  
You better run, run, run  
Nowhere to run but to meYou better know, know, know  
That I have conditions  
I make the rules  
And make the decisions  
And I, I, I want nothing less than  
What I deserveSo you better run, run, run  
Before I decide that you are mine  
Two stars will collide  
You better run, run, run  
Nowhere to run but to me
