

# A Better Way

## Leanan Sidhe

We spent the night in a hobo town like a pair of runaways  
We lit a fire and sang the songs we learned from yesterday  
Settled down and built a house with our own sweatin' hands  
What happened next, I'll never know or never understand  
Finished with my working day and headed straight for  
home  
I looked inside the bedroom door and you were not alone  
Well, I hope you find a better way to get through my  
front door  
The roads you take don't let you see I don't love you anymore  
And if you find a broken heart somewhere along the way  
Don't you dare pick it up, it'll mend itself someday  
You thought my life was over now, well, honey, you thought  
wrong  
I found myself someone to love, who'll love me all night long  
All the things you left behind, I threw them all away  
You never cared enough about the things I had to say  
Well, I hope you find a better way to get through my front  
door  
The roads you take don't let you see I don't love you anymore  
And if you find a broken heart somewhere along the way  
Don't you dare pick it up, it'll mend itself someday  
door  
The roads you take don't let you see I don't love you anymore  
And if you find a broken heart somewhere along the way  
Don't you dare pick it up, it'll mend itself someday
