I'm Loving Nothing

The Impressions

Tenderly I desire
Passionate moods of fire
Wanting to give my heart
All of a sudden, I'm loving nothin'Women she lied there so sweet
Everything seemed so complete
A burning fire in my chest
Wanting to love and caress
But there is nothingAnd I'm loving nothing
I finally found that out
I'm loving nothing
It's hard to believe
But without a doubt
There's not even a kiss of tenderness
I cried silent tears so blue
All because of you
You must not understand
The desires of your man
And a love so needy
Has dissolved so completelyAnd there is nothing
I finally found that out
I'm loving nothing
It's hard to believe
But without a doubt
There's not even a kiss of tendernessTenderly I desire
Passionate moods of fire
Wanting to give my heart
All of a sudden, I'm loving nothin'
No there is nothin'
And I'm loving nothing
I finally found out
I'm loving nothing
It's so hard to believe
But without a doubt
There's not even a kiss of tenderness
